

BOOKS, MAPS, GLOBES FOR SALE AT THE UNA EAST BAY CENTER

Usborne and DK books for children of all ages comprise many of the books at the Center.

Most are paperback and are priced under \$5.00. Sticker books are from \$7 to \$9.

Subjects covered include:

***World Geography:** These include **sticker books** such as the Flags of the World and the Animal Atlas sticker books, and atlas-related books. **Wall Maps** by Rand McNally and others- some laminated- are here. **Inflatable globes** for children and adults, are for sale.

***Children and Cultures Around the World:** Children Like Me and similar books, including folk stories from around the world, are in stock. The Kane-Miller hardbacks are contemporary stories of children in other lands (\$7.50 each, or any 4 for \$25 {with decorative box}).

***Foreign Languages:** We also carry the “first hundred”-“first thousand words” books in English, French, and Spanish, and a few early reader books in Spanish.

***Cookbooks of international recipes** for children and adults are always popular.

***Science** books include books about birds, astronomy, ecology, the earth, weather, science experiments, etc.

***Encyclopedias** in one volume (abbreviated versions) can be found here.

***Board books for infants, and fun books for toddlers and younger children** are provided.

***Books about the United Nations and its agencies (such as UNICEF) for adults and children** are on sale, in addition to those in our lending library.
