

# United Nations Association (UNA) East Bay Chapter Seeks *Volunteers to Make a Difference*

The future depends upon citizens taking an active role in public life. As members and friends of UNA-USA East Bay Chapter you can make a difference. Unlimited opportunities are available to actively support the United Nations by volunteering to expand the educational work of our chapter. By helping for a few hours or taking a leadership role, you can join forces with others to help the world's poorest people.

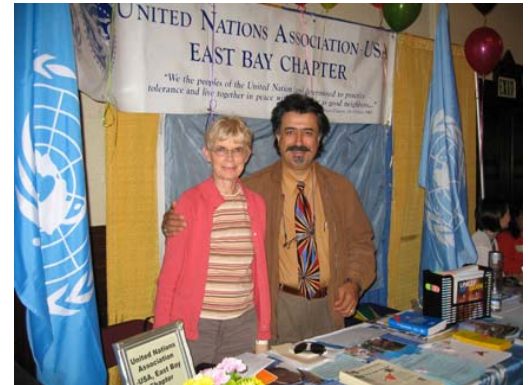

The East Bay Chapter has a dynamic array of activities that depend upon the passion of its volunteers. It takes twenty volunteers just to keep the doors of our UNA-East Bay Center open to sell UNICEF cards and other fair trade items and maintain a library of materials about the United Nations, including curricular materials for teachers.

## OPPORTUNITIES

- **UNA-East Bay Center (located at 1403-B Addison Street, Berkeley, CA 94702):** Sell UNICEF cards and gifts; educate, and inspire others. *Seeking volunteers and members of the Leadership Team*
